BELKIN

Fridge Mount for iPad 2

Let Your iPad 2 Take Center Stage

Part # F5L098cw

Let Your iPad 2 Take Center Stage

Feature It In The Kitchen
The Fridge Mount lets you conveniently position your iPad 2 in the kitchen so you can enjoy watching TV, Cooking recipes or play music. It has an inner magnetic strip that snaps to the iPad 2’s own magnet and holds it firmly in place.

No Tools Needed
No tools or hardware are needed and no permanent installation is required. Supplied with 3M CommandStrips double sided tape to securely affix the Fridge Mount to a fridge, cabinet, wall or any other smooth, flat surface, either steel, wood or plastic. The mount can be removed without leaving behind any damage or residue. Supplied with extra 3M CommandStrips to affix in another location.
